

REGULAR COUNCIL MEETING

July 2, 2019

The Second monthly meeting of Mansfield City Council met on Tuesday, July 2nd, 2019 at 7:00 PM in the Council Chambers of the City Building.

The Pledge of Allegiance was recited by the audience.

Councilman Lawrence led the audience in prayer.

ROLL CALL: The following answered present at roll call: Falquette, Rock, Van Harlingen, Jefferson, Lawrence, Taddie, Mears and Scott. Bryant was absent Mears made a Motion for him to be excused, seconded by Rock.

There being no objections, the reading of the Journal and Correspondence was dispensed with.

Public Comments:

MATTHEW STANFIELD: I just want to respond to some of the comments made at the end of the Skate Park discussion about what the citizens want. You heard from four maybe five people who wanted maintenance and upkeep...(inaudible)...you heard from seven or eight people who wanted a Skate Park. Those seven or eight people are citizens too and you're treating as though they're not. And that is going to be the best way to push the younger generation out and people with different ideas. Because, you're saying; you're not citizens, your opinion doesn't matter. I'm sorry, I'm a little bit emotional about it, but I had to leave because it was just angering me to listen to you say, "...the citizens want... the citizens want", without taking into account the people that want a Skate Park are citizens too.

ADMINISTRATION COMMENT:

DIRECTOR COPE: Mr. President I have a question in reference to documents that we got. If I might ask one addition... Mr. Mears had brought up that we have signatures of opposing, but is... everyone received the near ninety for the Parks and where did that survey come from?

CLERK AMY: That's on Facebook's Park Page.

DIRECTOR COPE: Oh, these were...okay, so we have...opposed and then the eight- nine or near ninety that are for it. Okay, I just wanted to make sure. Thank you for that clarification.

PRESIDENT SCOTT: I think that's a good point to take into consideration; we do have almost ninety or ninety that are in favor too. So.

MR. JEFFERSON: And what was the opposition?

MR. VAN HARLINGEN: Eighty-four or eight-five. Somewhere in there. Eighty-three...

MR. JEFFERSON: Eighty-five in opposition and ninety... I got it right here. Yeah.

PRESIDENT SCOTT: And I think the point is very well taken, with what Mr. Stanfield said too, we can't just dismiss... anyway...

MS. TADDIE: Right...

PRESIDENT SCOTT: Anyway, we need to move on.

ASSISTANT LAW DIRECTOR BROWN: Brief update: from time to time I'll update City Council on the House Bill # 49 Litigation that's going on regarding the collection of Municipal Income Tax this is an issue that we update you every few months on. The last update was that the Tenth District Court of Appeals, ruled against the City, well I shouldn't say,, the Cities rather than the State. That briefing has now been completed before the Ohio Supreme Court, so it's a matter of jurisdiction and whether the Ohio Supreme Court will take that case on and review it or let the District Level Ruling stand. And so, they typically answer those within sixty to seventy-five days, but there's no hard and fast rule on that timeline, so, hopefully in two months we will hear, if this case is going to go before the Ohio Supreme Court. My guess is that it will, but we'll update you when we get another update, but just wanted to kinda keep you in the loop as to what's been changing with that.

BILL # 19-121

BY: MR. VAN HARLINGEN

DISCUSSION:

MR. JEFFERSON: I don't necessarily have any discussion, but I do have a comment. Years I have been up on this Council and I have, it has always bothered me that we goin' into negotiations and then we gotta pay other people to come in and help negotiate. It's... to me that's ludicrous! We should have somebody on staff

somewhere, that's twenty-seven thousand dollars we given Negotiation Consultants. Don't we have qualified people in place to handle that?! Just wanted to throw that out there. I just...we get lawyers to come in because we... gotta pay them thousands of dollars because I guess the staff of Lawyers we have don't have certain Law skills, skills and certain contractual stuff. It's just ludicrous to me, but I won't be here long, I won't have to deal with it...

AUDIENCE: Laughs.

MR. JEFFERSON: (Chuckles) Crazy! So! With that being said, I yield back to the Chair.
