DISCUSSION:

PRESIDENT SCOTT: Discussion?

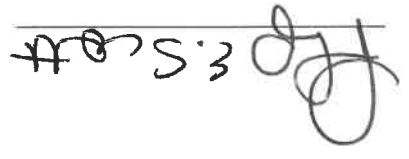

MR. JEFFERSON:

Yes. I have some discussion. In the future I would hope, or like that, the people on there or the employees relations committee, if they so choose, from Council, to sit in on some of these negotiations. I've seen Contracts for several years now, I can say at least three contracts; there's a lot of things in there that I don't totally agree with, but I understand negotiations, so, so, I'm saying to my colleges, that'll still be on Council in the future, consider sittin' in on these so you can have more input. We get somethin' in executive session and it's kinda rammmed at you, and you almost gotta take it. I'd like to be a little ahead of the game and know, how this is being... coming to an end result to get to executive session. That's my comment. I yield back.

ADJOURN: Upon motion by Mr. Falquette, seconded by Mr. Rock, and passed by voice vote, the meeting was adjourned.
