2009 Magnetic Media for W2 Reporting

This information is being provided to assist Mansfield employers in preparation of magnetic media for W2 reporting to the Mansfield Income Tax Division. City ordinance requires Mansfield employers with 100 or more employees to file W2s using magnetic media. The City of Mansfield will accept the 2009 EFW-2 format, but will also continue to accept the old MMREF-1 and TIB-4 formats. The City of Mansfield is continuing to support the TIB-4 formats as a convenience to those employers who in prior years had to customize their payroll packages to be in compliance with the Mansfield ordinance. Also, please note below that the City will accept the four record formats on media listed below. If you have any questions, please call the Income Tax Division at the number listed above.
