Subject: 2015 Christmas tree donation:

The City of Mansfield is continuing its search for a live Christmas tree to place on display at the Carrousel Park located in downtown Mansfield. If you have an evergreen tree you would like to donate please contact the Mansfield Street Department at 419-755-9803. Trees must be located within the city limits.

We are requesting the tree be at least 30ft in height. In order for us to successfully cut and remove the tree it must be accessible to the handling of equipment. Upon removal of the tree the City Street Department will grind the stump and repair any damage caused to the lawn.

We would like to have this in place for the citizens of Mansfield to enjoy during the Holiday Parade on November 21, 2015 and throughout the holiday season.

We would like to thank you in advance for your generous donation and support to the community. We are wishing all of you a safe and happy holiday season.

Thank you,
City of Mansfield Service Complex
