Subject: Starting date for curb side leaf pick up.

The City of Mansfield is announcing that we will start the curb side leaf program Monday, November 7th, 2016. We will have crews working daily Monday through Friday until we have completed the curb side collection.

The City will make a single pass to pick up leaves curb side. The City will attempt, weather permitting, to collect leaves missed during the single pass of the city but cannot guarantee this will occur. You are encouraged to either mulch leaves or take them to one of our collection site if you miss leaf collection on your street.

The leaf collection route is divided in to four (4) areas. Within the four areas they will be divided into zones that we use for snow plowing. Once an area has been completed we will document this on our City of Mansfield home page under the 2016 Leaf program tab. The City of Mansfield would like to encourage residents to bag their leaves and bring them to one of the drop sites or compost them by mowing or other composting methods. **Also, please when raking your leaves to the curb do not place them in the streets. This causes flooding of streets and other storm water problems and is a violation of city ordinance #911.06(b).**

Any questions should be directed to the City Service Complex Monday through Friday 7:00am to 3:30pm at 419-755-9803.
