Subject: Boil Advisory

Due to a water main repair it will be necessary to issue a boil advisory for the following areas:

Oak Street from Davidson Street east to South Illinois.

South Illinois from Oak Street to Hickory Lane including Hickory Lane.

Lucas Road at I 71 and St Rt 39 interchange.

Under a boil advisory it is suggested that all consumed water be brought to a rolling boil for full 3 minutes prior to consumption. This is a precautionary measure to be taken until samples can be tested to confirm water purity. A notice will be issued at the completion of the test.

Any questions concerning this notice may be directed to the Water Repair Dept. during normal business hours. Monday thru Friday 7:00am to 3:30pm at 419-755-9806.

Thank you,
