Subject: Emergency Boil Advisory

Due to a water main break it will be necessary to issue a boil advisory for the following area:

West Cook Road from Pin Oak Trail to Lexington Springmill Road. Also to include Sunrise, Jamestown, Yorktown, and Carter Drive.

Under a boil advisory it is suggested that all consumed water be brought to a rolling boil for a full 3 minutes prior to consumption. This is a precautionary measure to be taken until samples can be tested to confirm water purity. A notice will be issued at the completion of the test.

Any questions concerning this notice may be directed to the Water Repair Dept. during normal business hours Monday thru Friday 7:00am to 3:30pm at 419-755-9806.

Thank you,
