Subject: Boil advisory issued

Due to a water main repair it will be necessary to issue a boil advisory for the following areas:

Maple Street from Glenwood Boulevard to Marion Avenue

West side of Stewart Avenue from Maple Street to Summit Street

East side of Glenwood Boulevard from Maple Street to Summit Street

Under a boil advisory it is suggested that all consumed water be brought to a rolling boil for a full 3 minutes prior to consumption. This is a precautionary measure to be taken until samples can be tested to confirm water purity. A notice will be issued at the completion of the test.

Any questions concerning this notice may be directed to the Water Repair Dept. during normal business hours Monday thru Friday 7:00am to 3:30pm at 419-755-9806.

Thank you,
