Subject: Boil Advisory

Due to a water main repair it will be necessary to issue a boil advisory for the following areas:

Davis Road between East and West Townview Circle.

Ruth Avenue between East and West Townview Circle.

Lexington Avenue from Sterkel Boulevard to Prospect Street.

Also to include:

Reba Avenue, Gibson Avenue, Wolfe Avenue, West Raleigh Avenue, Chilton Avenue, Gibson Avenue, and Marquis Avenue.

Under a boil advisory it is suggested that all consumed water be brought to a rolling boil for a full 3 minutes prior to consumption. This is a precautionary measure to be taken until samples can be tested to confirm water purity. A notice will be issued at the completion of the test.

Any questions concerning this notice may be directed to the Water Repair Dept. during normal business hours Monday thru Friday 7:00am to 3:30pm at 419-755-9806.

Thank you,

City of Mansfield Water Repair
