Subject: Boil Advisory

Due to a water main repair it will be necessary to issue a boil advisory for the following areas:

Marion Avenue from Woodward Avenue to Cline Avenue
Woodward Avenue from Marion Avenue to Bartley Avenue
Sloane Avenue from Taylor Road to Marion Avenue
Manchester Road from Taylor Road to Marion Avenue

Under a boil advisory it is suggested that all consumed water be brought to a rolling boil for a full 3 minutes prior to consumption. This is a precautionary measure to be taken until samples can be tested to confirm water purity. A notice will be issued at the completion of the test.

Any questions concerning this notice may be directed to the Water Repair Dept. during normal business hours Monday thru Friday 7:00am to 3:30pm at 419-755-9806.

Thank you,
