**For Immediate Release**

**Date:** January 7, 2015

**Contact:** Mayor Tim Theaker

**Subject:** Emergency City Building Closing

Mansfield, OH-- Mayor Theaker has announced that due to a main water line break, the City Building located at 30 N. Diamond St. and our Utility Collections Department located at 99 Park Avenue East will be closed to the general public at 9:30 a.m. today.

The broken water line has been identified and repairs have begun but due to the size of the break, it is not expected to be fixed until late this afternoon or early evening.

The buildings are expected to reopen tomorrow for normal hours.
