Please refer to the City of Mansfield home page for a map and more details (<http://www.ci.mansfield.oh.us/>).

Once an area has been completed we will document this on our City of Mansfield home page under the 2011 Leaf program tab. We know we will be unable to pick up all the leaves but we want to attempt to get the majority of them. If you are unable to get your leaves to the curb before we do your area please bag them and bring them to one of the three drop sites or compost them by mowing. **Also, please when raking your leaves to the curb do not place them in the streets. This causes flooding of streets and other storm water problems.**

Thank You!
