**Subject:** Linden Pool Problem and Liberty Pool Opening

Mansfield, OH—Mayor Tim Theaker regretfully has announced today that due to unforeseen circumstances, Linden Pool will not be opening on June 4, 2016 as originally planned.

While preparing the pool for opening day, several problems were discovered. The pump motor would not work, a water line break was discovered, and leaks in the pool were detected.

While we hope to resolve these issues in an expedient manner, we also need to assess costs involved with these repairs to make sure we are being fiscally responsible with taxpayer's money.

The city has been extremely lucky to be able to open these pools over the years; however, the aging pools are ever so challenging every year to continue to operate.

Liberty Pool will open as scheduled on June 4, 2016 through August 7, 2016. Hours of operation will be from Noon until 6:00 p.m. seven days a week. Admission costs are \$1.00 for children between the ages of 4-12 and \$2.00 for adults. Admission costs and hours will be the same for Linden Pool once repair costs are assessed and/or made.
