Subject: Super Guppy

Mansfield, OH—Mayor Tim Theaker is pleased to announce NASA’s Super Guppy will make its first appearance in Mansfield on Tuesday, November 3, 2015 between 11:00 a.m. and 12:30 p.m. at the Mansfield Lahm Airport. Arrival time is subject to change. The aircraft will be stationed in a location where the general public can view the plane following its arrival.

Spectators are asked to enter the viewing area through the Airport Terminal Building. A secure perimeter will be installed surrounding the Super Guppy. The general public can view the plane from behind the secured perimeter.
