

News Release

City of Mansfield, Ohio

Timothy L. Theaker, Mayor

For Immediate Release

Date: Jul 10, 2012

Contact: Utility Collection 419 755-9673

Water Repair 419 755-9806

Subject: Hydrant Testing

Mansfield Fire Dept. will be performing hydrant testing during the week of July 9 in the areas of :

From Logan Rd. North to Cook Rd. between Lexington Ave. East to Briarwood Rd.

From Millsboro Rd. North to Maple St. between Marion Ave. and Trimble Rd.

Water Repair and Utility Collections will be able to answer any questions. All fire stations and Water Repair carry iron out for any rusty water complaints. All changes to testing schedule will be found on the city's web site.
