Subject: Smoke Testing

Mansfield, Ohio--

Mayor Tim Theaker announces, weather permitting, on Wednesday, June 12, 2013, the City's Sewer Repair Department will be performing smoke testing of sanitary sewers. The areas affected by this testing are:

- The trunk sewer in the area bounded by Redwood Road on the north, South Main Street on the east, Logan Road to the south and Burton Park to the west.
- Because numerous smaller sewers drain into this trunk line, smoke may be noted on nearby streets.

The rain date will be Thursday, June 13, 2013. See attached sketch.
