

# News Release

City of Mansfield

Timothy L. Theaker, Mayor

---

## For Immediate Release

**Date: June 13, 2014**

**Contact: Kim Hildreth, Program Coordinator  
419.755.9702**

**Subject: Operation S.O.S. (Save Our Streams)  
North Lake Park and Middle Park Stream Clean up  
Saturday, June 21<sup>st</sup> at 9:00 a.m.**

Mansfield, Ohio – Mansfield Mayor Tim Theaker, is pleased to announce as a part of the City of Mansfield's Stream Outreach Program, **Operation S.O.S. (Save our Streams) for the year 2014.**

Litter, debris, and illegal dumping are ongoing problems. Litter and debris can stop water flow in our storm drains and cause flooding. This same litter and debris can enter into the storm drains thereby entering our streams and affecting our water quality. This same accumulation of litter and debris reflects to visitors just how much pride we have in our community.

We invite area residents, groups, and organizations to meet us at the **outside pavilion at North Lake Park on Saturday, June 21, 2014 at 9:00 a.m.** to clean up the stream.

Volunteers need to wear durable work gloves, waterproof boots and insect repellents.
