Mansfield, OH—Mayor Tim Theaker is pleased and excited to announce Chick-fil-A’s Food Truck will be coming to Mansfield within the next few weeks on Thursday’s to operate a food truck in various locations throughout the city. Locations are still under review and will be announced once they are determined.

Chick-fil-A’s intent is to test various locations in our city over the next several months to see if there is enough business to permanently locate a facility here in Mansfield.

The Chick-fil-A Food Truck is 32 feet in length, 11ft. 6 inches in height and is 8 feet 6 inches wide (photo attached.) There were only a handful of Chick-fil-A Food Trucks in the entire country and we are pleased they have chosen Mansfield as a test site. The truck will be offering their most crave-able items for our residents to enjoy.

Chick-fil-A will make their first appearance in Mansfield at Mansfield Lahm Airport during our Airport Day event scheduled for Saturday, July 6, 2019.

Please join me in patronizing and welcoming Chick-fil-A to Mansfield.
